8 APR 1986

MEMORANDUM FOR: Director of Information Technology

25X1   FROM:

Director of Security

SUBJECT: Request for OIT Rotational Staffing

1. This memorandum reconfirms Security's need for con-
tinued ADP support to meet its rapidly developing information
handling and on-line data base systems requirements and
requests that two (2) OIT officers be selected to fill the
25X1   positions previously held by
25X1

2. Security's current work requirements necessitate the
appointment of a senior analyst/programmer and a junior level
analyst/programmer. The requested analysts/programmers will
provide technical support to Security's Wang Alliance
25X1   Electronic Telecommunications network
25X1   and support in-house requests for
the development and maintenance of standalone data bases and
25X1   requirements analysis.

3. The requested analysts/programmers will be assigned to
the ADP Branch (located within the Office's Executive Staff)
and will serve under the day-to-day direction of currently
assigned OIT rotational personnel. Slotting of both positions
25X1   will be accommodated by Security.

4. Questions relating to this request my be directed to
25X1   Chief/Policy and Plans Staff/OS, on
25X1
